 - People
 - All You
 - Real Simple
 - Health
 - Time

The New Challenge— An Individual Challenge

Students can win game tickets for the Spring Fling by turning in box tops and Campbell labels. For every 10 box tops or labels they turn in, they will receive one game ticket. Students must turn in the box tops and labels in a Ziploc bag or envelope with their name on it to earn the game tickets. Thanks to the PTEO for supporting this challenge!

And the leader year to date is...

	K	1st	2nd	3rd	4th	5th	6th
	2718	2980	2251	1736	3147	3500	2826

Give \$5 and save up to \$225 @ Carson's @ Jasper

These coupons are good for April 27 and 28. Most of the coupons in the booklet are for in store purchases including a coupon for \$10 off a purchase of \$10 or more!! We are hoping to raise enough money with these coupons to pay for the summer reading program and also for supplies for Field Day. These are two really great programs that the students really love and we want to reward them for their efforts. Please support the school through this effort!! If you are interested in purchasing or selling them send a note to school with your child for Mrs. Williams, send her an email @ cwilliams@nspencer.k.12.in.us or call the school and leave a message for her.

What counts and what doesn't?

At times there are labels or Box Tops that are turned in that aren't valid for various reasons. So the following are what constitutes valid labels and Box Tops. The picture below shows what is needed for the Labels for Education program— it must include the entire barcode. Labels for Education also accepts barcodes that do not have the point value attached if the barcode if it comes from a product that is part of the program. For Box Tops the label must contain the point value as well as the expiration date. The Box Tops do not have to be cut out perfectly, but it is much appreciated if you remove most of the packaging around the label.

Here are just a few of the Labels for Education Products

Products worth 1 Point
